

# Austin Board Certified Plastic Surgeons Unveil New Responsive Website

---

**Restora Austin Plastic Surgery launched a new practice website showcasing the latest design features, including an easily navigable layout and responsive capabilities.**

Austin, TX – September 25, 2015

Restora Austin Plastic Surgery Centre, the premier [cosmetic plastic surgery practice in Austin, TX](#) co-founded by Austin plastic surgeons, [Dr. Ashley Gordon](#) and [Dr. Dustin Reid](#), is opening the doors on a new, interactive website designed to function as a comprehensive tool for people who are researching information on the latest plastic surgery and aesthetic enhancement options. Complete with the latest modern parallax website design, the site includes detailed pages on procedures ranging from [breast augmentation](#) and facial rejuvenation to male plastic surgery and non-surgical skin and laser treatments.

Keeping their patients in mind, the new website has been created utilizing a responsive website design, allowing it to be viewed and navigated easily across laptops, desktops, tablets, and smartphones, without sacrificing important content or accessibility. In addition, the site also includes what's known as parallax scrolling, an innovative design element which merges content and imagery in an advanced new way. Along with an overview of their philosophy of care, the new website includes:

- Full descriptions of facial surgery, breast enhancement surgery, body contouring surgery, and non-surgical cosmetic procedures
- A Plastic Surgery Before and After Photo Gallery
- Video and written patient testimonials
- An updated blog

Restora Austin Plastic Surgery Centre is devoted to an impressive level of aesthetics, from their surgical treatments to their digital presence. The contemporary color scheme, state-of-the-art parallax design, custom-built navigational menu, and functional themed landing pages and sidebars combine to present users with a pleasing, user-friendly experience. Dr. Ashley Gordon and Dr. Dustin Reid perform an extensive list of procedures at Restora Austin, including [breast lift](#), [mommy makeover](#), [tummy tuck](#), liposuction and [facelift](#). Committed to always enhancing the patient experience, Restora Austin hopes to provide patients with many of the necessary resources they need to make any informed decision before they even step into the office for consultation. Aware of the growing use of the internet to obtain information, Drs. Gordon and Reid are proud to launch their new responsive website as a helpful tool for all users.

## About Restora Austin Plastic Surgery Centre

Restora Austin's patient-centric approach makes them the premier plastic surgery centre in Central Texas. As two of the top board-certified plastic surgeons in Central Texas, Dr. Ashley Gordon and Dr. Dustin Reid combine extensive experience and artistic vision with the most advanced technologies to offer you an unsurpassed cosmetic surgery experience. They trained together at one of the most accomplished plastic surgery programs in the country, Emory University. Always striving to be the best plastic surgeons in Austin and around the country, they never rest on their laurels. Their daily mantra is to always innovate, always perfect, and always try harder, all while developing real relationships with their patients, getting to know them far beyond the procedure they are interested in.
